PROFILE

Marketing professional with 15 months' full-time experience scaling a B2B2C shopper-marketing platform to 32,000 users and 2M+ homepage impressions. ESSEC Master in Management (Marketing Track), M1 — entering M2 in September 2026.

EDUCATION

- ESSEC Business School — Grande École Programme**
Master in Management (Marketing Track), M1 — Paris, France | MiM (#3, QS 2025)
Aug 2025 – Present
- Delhi Technological University — B.Tech, Biotechnology Engineering**
First Division — Delhi, India
Aug 2018 – May 2022

PROFESSIONAL EXPERIENCE

- Marketing Strategist (Full-time) — Epicere India**
B2B2C Shopper-Marketing Platform (rewards app for FMCG brands & grocery retailers)
Jan 2023 – Mar 2024
Delhi, India
 - Grew a receipt-scanning rewards app to **32,000** users and **2M+** homepage impressions, sustaining **13** minutes of daily engagement per active user, by running integrated acquisition and engagement campaigns that paired in-app rewards with in-store promotion.
 - Delivered **4,500** monthly conversions for FMCG brands including Auric, Fabbeu, Mo's Bakery and Yogami by managing pay-for-performance campaigns across home-page banners, targeted offers and hosted rewards.
 - Drove **~8,500** daily banner impressions and **9,400** rewards redeemed by creating segment-tuned content and point-of-sale assets.
 - Onboarded **75%+** of **50+** targeted stores, including Turnip Superstore, GMS and Pure & Pura, via on-site negotiation.
 - Improved campaign ROI by tracking performance in Power BI and Tableau, reallocating budget to top offers.
 - Sharpened messaging for shoppers and grocers by defining Epicere's positioning through competitor and consumer research.
- Research Analyst (Internship) — MV Kini and Co.**
Jun 2022 – Dec 2022
Delhi, India
 - Expedited reporting on a long-running project tracking multiple KPIs and judgements by taking over its analysis with minimal supervision, flagging conflicts with other projects and delivering on schedule, reporting directly to a firm Partner.
 - Reduced report errors and data-breach risk in the firm's client legal database by strengthening data validation and access controls, and helped build a file management system that let lawyers add and edit case files online.
 - Saved **60+** hours of high-stakes secondary research by introducing a web-scraping solution that automated data gathering.
 - Cut Statement of Work turnaround for multiple clients by designing a reusable template that streamlined a lengthy drafting process.

SKILLS & LANGUAGES

- Languages:** English — Native | French — Beginner (A2, actively improving) | Hindi — Native
- Marketing:** Brand Management, Consumer Insights & Research, Integrated Campaign Management, Digital Marketing Strategy, Content Strategy, Social Media Marketing, Market Segmentation.
- Tools & Tech:** Power BI, Tableau, Looker Studio, SQL, Excel, PowerPoint, Canva, AI tools (Claude, ChatGPT, Gemini, Kling AI, OpenArt).

LEADERSHIP, PROJECTS & INTERESTS

- Belgium National Football Team, ESSEC Sports Marketing: Designed a year-round loyalty platform to keep fans engaged between tournaments, from fan-engagement strategy to a phased activation roadmap. 2026
- Elle & Vire, ESSEC Brand Management: Built a house-of-brands extension strategy for the French dairy brand. 2026
- Jijeevisha The Humanity NGO: Volunteered for **13** months, teaching students from rag-picker families in Delhi. 2024–25
- Co-Head of PR, Engifest (DTU's annual cultural festival): Led a **35+** member team and grew event outreach by **12%**. 2022
- Logistics Head, Aahvaan (DTU's annual sports festival): Cut operational costs by **15%** through vendor negotiation. 2022
- Nutraceuticals in Sport: Authored a peer-reviewed paper and was invited to present it at the ICOBWN conference. 2021–22
- Interests: Football, Cricket, Tennis, Reading, Cinema, Current Affairs, Politics and History.
