PROFILE

Analytical strategist with 15 months' full-time experience defining commercial strategy for a B2B2C platform that scaled to 32,000 users and 2M+ homepage impressions, backed by a dual business and engineering background. ESSEC Master in Management, M1 — entering M2 in September 2026.

EDUCATION

- ESSEC Business School — Grande École Programme**
Master in Management, M1 — Paris, France | MiM (#3, QS 2025)
- Aug 2025 – Present
- Delhi Technological University — B.Tech, Biotechnology Engineering**
First Division — Delhi, India
- Aug 2018 – May 2022

PROFESSIONAL EXPERIENCE

- Marketing Strategist (Full-time) — [Epicere India](#)**
B2B2C Shopper-Marketing Platform (rewards app for FMCG brands & grocery retailers)
- Jan 2023 – Mar 2024
Delhi, India
- Grew platform to **32,000** users and **2M+** homepage impressions — defined and executed full-cycle commercial strategy end-to-end.
 - Identified white-space opportunities across the region** — competitor benchmarking, market mapping and segmentation efforts.
 - Scaled partner penetration** — tailored value propositions and repeatable onboarding playbooks for **50+** retail partners citywide.
 - Sustained **4,500** monthly conversions — aligned product, logistics and sales teams consistently behind shared performance KPIs.
 - Penetrated **75%+** of **50+** targeted retail outlets — built a scalable, repeatable blueprint for further expansion across Delhi NCR.
 - Tracked performance against strategic KPIs** — Power BI and Tableau dashboards monitored monthly across the portfolio.
- Research Analyst (Internship) — [MV Kini and Co.](#)**
- Jun 2022 – Dec 2022
Delhi, India
- Surfaced strategic insights for senior leadership** — structured and analysed complex, multi-source datasets accurately.
 - Sharpened executive communication** — Statements of Work and structured analytical reports for senior partners directly.
 - Reduced inefficiencies** — identified operational risks and redesigned cross-functional workflows for greater efficiency.
