PROFILE

Analytical strategist with 15 months' full-time experience defining commercial strategy for a B2B2C platform that scaled to 32,000 users and 2M+ homepage impressions, backed by a dual business and engineering background. ESSEC Master in Management, M1 — entering M2 in September 2026.

EDUCATION

- ESSEC Business School — Grande École Programme**
Master in Management, M1 — Paris, France | MiM (#3, QS 2025)
- Aug 2025 – Present
- Delhi Technological University — B.Tech, Biotechnology Engineering**
First Division — Delhi, India
- Aug 2018 – May 2022

PROFESSIONAL EXPERIENCE

- Marketing Strategist (Full-time) — Epicere India**
B2B2C Shopper-Marketing Platform (rewards app for FMCG brands & grocery retailers)
- Jan 2023 – Mar 2024
Delhi, India
- Scaled a receipt-scanning rewards app to **32,000** users and **2M+** homepage impressions, with **13** minutes of daily engagement per active user, after joining Epicere's four-person founding team as its fifth member.
 - Signed **75%+** of **50+** targeted stores, including Turnip Superstore, GMS and Pure & Pura, by building tailored value propositions and a repeatable onboarding playbook, then negotiating terms in person with owners and category buyers.
 - Sustained **4,500** monthly conversions for Auric, Fabbeu, Mo's Bakery and Yogami by structuring pay-for-performance offers.
 - Steered budget and offer priorities across **~8,500** daily banner impressions by building Power BI and Tableau KPI dashboards.
 - Pinpointed white-space areas and priority grocers by mapping Delhi NCR through competitor benchmarking and on-site store visits.
- Research Analyst (Internship) — MV Kini and Co.**
- Jun 2022 – Dec 2022
Delhi, India
- Expedited reporting on a long-running project tracking multiple KPIs and judgements by taking over its analysis with minimal supervision, flagging conflicts with other projects and delivering on schedule, reporting directly to a firm Partner.
 - Reduced report errors and data-breach risk in the firm's client legal database by strengthening data validation and access controls, and helped build a file management system that let lawyers add and edit case files online.
 - Saved **60+** hours of high-stakes secondary research by introducing a web-scraping solution that automated data gathering.
 - Cut Statement of Work turnaround for multiple clients by designing a reusable template that streamlined a lengthy drafting process.

SKILLS & LANGUAGES

- Languages:** English — Native | French — Beginner (A2, actively improving) | Hindi — Native
- Strategy:** Strategic Analysis & Planning, Market Entry & Competitive Intelligence, Business Case Development, Stakeholder Management, Cross-functional Coordination.
- Tools & Tech:** Power BI, Tableau, SQL, Excel, PowerPoint, AI tools (Claude, ChatGPT, Gemini).

LEADERSHIP & PROJECTS

- Belgium National Football Team, ESSEC Sports Marketing: Designed a year-round loyalty platform to keep fans engaged between tournaments, from fan-engagement strategy to a phased activation roadmap.
 - Elle & Vire, ESSEC Brand Management: Built a house-of-brands extension strategy for the French dairy brand.
 - Jjeevisha The Humanity NGO: Volunteered for **13** months, teaching students from rag-picker families in Delhi.
 - Co-Head of PR, Engifest (DTU's annual cultural festival): Led a **35+** member team and grew event outreach by **12%**.
 - Logistics Head, Aahvaan (DTU's annual sports festival): Cut operational costs by **15%** through vendor negotiation.
 - Nutraceuticals in Sport: Authored a peer-reviewed paper and was invited to present it at the ICOBWN conference.
- 2026
- 2026
- 2024–25
- 2022
- 2022
- 2021–22
